"HERE COME THE PUPPETS!". A video tape hosted by Jim Henson and KERMIT, of the 1980 UNIMA Festival in Washington D.C., made by American T.V. station WQED, Pittsburg.

This tape lasts about one hour and was generously made available by Jim Henson to Axel Axelrad for showing to Puppeteers in Australia. Axel has the tape and short of an SEC strike or atomic blast, will be shown only once as bringing in the necessary equipment is a problem.

Hoping as many people as possible will come as it is an interesting programme.

Please bring some supper.
